

## 2 5 watt solar battery charger and maintainer

What is a solar car battery charger & maintainer?

The SUNER POWER 12V Solar Car Battery Charger & Maintainer is an innovative way to charge your vehicle's battery - even if you don't have access to an outlet. Instead of using a standard wall outlet, this battery charger and maintainer has a built-in solar panel that it converts to power for your battery.

Where can I buy a solar battery maintainer?

Our Coleman 2.5 Watt 12 Volt Solar Battery Maintainer is manufactured and distributed under license, by Sunforce Products, Inc. For assistance, you can reach them at 888-478-6435 or email them to [info@sunforceproducts.com](mailto:info@sunforceproducts.com). Also, you can visit their website: I bought one 2 years ago and it has never failed me.

Can a Coleman solar battery maintainer be used with a power box?

A: The Coleman 2.5W solar battery maintainer is designed to maintain any 12V battery, when not in use. This solar panel compensates for the natural drop in a batteries charge over time. It is perhaps not best used in conjunction with your power-box. Helpful?
