

4patriots solar battery bank cost

How much does a 4patriots solar generator cost?

As shown, on paper the 4Patriots solar generator carries a price premium of \$500+ (?4.2 days of your career at \$15/hour) more than some competitors. But factoring in the bundled charging panels and accessories helps offset this pricing gap. Several attributes support the justification for 4Patriots' higher cost basis, including:

Should you buy a 4 pack of solar power?

Put Your Family First & Get the 4-Pack! "I purchased the four pack so I could keep one and give one to each of my three (3) daughters. Using the solar ability assured that each one of them has an alternate power source for when necessary. It already worked for one (1) daughter during a recent power outage.
