

Arizer solo 2 battery specs

How many sessions per charge is a arizer solo 2?

15-20 sessions per charge, we like! The Arizer Solo 2 is an excellent choice for users who need an exceptional battery life and pure flavor. It stands as the third addition to Arizer's line of portable vaporizers, following the OG Solo and the Air.

How does arizer solo 2 work?

With the Arizer Solo 2's premium borosilicate glass aroma tubes, users can savor the full flavor profile and effects of their chosen materials, indulging in a truly satisfying vaping experience. When the device is powered on, it displays the current temperature, pre-set temperature, and the current battery life.

Is arizer solo 2 a good vaporizer?

With its super long battery life, glass mouthpiece and reputation for excellent flavor, the Arizer Solo 2 is an excellent vaporizer choice in the portable market. While it is bulky, its advantages outshine that in many circumstances. There are very few vaporizers that have an all glass vapor path.

Can I replace my arizer solo battery?

The Solo Battery is covered under a limited 1-Year warranty and is also available for purchase upon request. To inquire about replacing your Solo Battery send us an email to: service@arizer.com. Arizer Batteries should not be substituted for third-party batteries -- Only use official Solo Batteries with your Arizer Solo.

How long does the arizer solo battery take to charge?

The battery will take 3-4 hours to fully charge, or longer if you use it while charging. If your battery is running low, with the Arizer Solo you don't have to wait for the battery to charge before you can use it. Just plug it in, set the temperature, and use the Solo while the battery continues charging.

Does arizer solo have a warranty?

Equipped for worldwide use with an input capacity of 110-240V with international safety certifications. The Arizer Solo carries a lifetime warranty on the heating element, a limited 2-Year warranty covering defects in materials or workmanship, and a limited 1-Year warranty covering the battery. Glass is not covered under warranty.
