

Arizer solo 2 replace battery

How should arizer Solo II be stored?

Arizer Solo II should be stored in a safe, temperature controlled, cool, dry place. Do not store in extreme temperature environments. Extreme heat or cold can damage the device and/or battery. Do not store your Solo II with a fully charged or fully drained battery for extended periods of time (one month or longer).

What are arizer Solo II batteries & chargers?

Arizer Solo II Batteries and Chargers are manufactured to strict quality standards, specifically for use with the Solo II. Only use official Solo II Batteries & Chargers. Do not use any third-party, counterfeit, or unknown brand batteries or chargers.

How do I store my arizer Solo II Max battery?

Do not tamper with or misuse the Arizer Solo II MAX Battery, and do not use damaged/defective batteries or Solo II MAX devices. Arizer Solo II MAX should be stored in a safe, temperature controlled, cool, dry place. Do not store in extreme temperature environments. Extreme heat or cold can damage the device and/or battery.

Can I tamper with the arizer Solo II battery?

Do not tamper with or misuse the Arizer Solo II Battery, and do not use damaged/defective batteries or Solo II devices. Arizer Solo II should be stored in a safe, temperature controlled, cool, dry place. Do not store in extreme temperature environments. Extreme heat or cold can damage the device and/or battery.

Do I need to charge my arizer Solo II Max?

Fully charge your Arizer Solo II MAX before first use. Arizer Solo II MAX Batteries and Chargers are manufactured to strict quality standards, specifically for use with the Solo II MAX. Only use official Solo II MAX Batteries & Chargers. Do not use any third-party, counterfeit, or unknown brand batteries or chargers.

How long do arizer batteries last?

Arizer Batteries meet rigorous quality standards. With normal use they will last for hundreds of charge cycles before losing any capacity. Dropping the battery or the unit can result in battery damage that may limit/reduce the battery capacity quickly, so it is important to handle your unit carefully.
