

Battery spotlights solar

What are outdoor solar spotlights?

Outdoor solar spotlights are a type of lighting that uses the power of the sun to provide illumination. These lights are an eco-friendly and cost-effective alternative to traditional electric lights, as they do not require a power source and are powered by the sun's energy. Therefore, these spotlights help limit your reliance on utilities.

What are solar-powered spotlights?

This pair of outdoor solar-powered spotlights is a flexible and adjustable product, with a separate solar panel and light heads to suit your needs. You can place the solar panel according to the sun's direction and change the spotlights up to 90 degrees for better illumination.

Where can I use a solar spotlight?

Brightly light up areas around your home without paying an electrician to run wires! One of the brightest solar spotlights out there! No other solar spotlight even comes close! Use this in your yard to light up your landscape, the front or back of your house, your driveway, anywhere you need some extra light.

How do outdoor solar spotlights work?

Our outdoor solar spotlights can be used in front of or behind your home. They automatically turn on at dusk and the batteries store enough energy to illuminate your chosen feature for the duration of the night. Outdoor solar spotlights are a versatile lighting solution that can be used in a variety of spaces.

What is a solar spotlight used for?

The high-output light of the solar spotlight is excellent for lighting bushes, landscape features and small trees. Our warm white solar spotlight is specifically designed to look just like the low voltage lighting you'll find around commercial buildings, golf courses, and are great for uplighting trees!

What battery does a high output solar spotlight use?

The High Output Solar Spotlights feature a 2600 mah 3.6V NI-MH battery pack. Thank you for your inquiry! How does it turn on and off? Thank you for contacting us! This Spotlight will have a toggle switch on the solar panel, in which will allow you to turn the fixture on/off manually. Thank you for your inquiry!
