

Deka solar battery 8g27

What is a Deka 8G27 (8G27M)?

The Deka 8G27 (8G27M) is an American made GEL deep cycle battery.

What type of batteries is the Deka 8G27 a direct replacement for?

The Deka 8G27 (8G27M) is a direct replacement for any group 27 lead-acid, GEL, or AGM batteries. These are manufactured by East Penn Manufacturing who also manufactures batteries under the name MK Battery.

What does the Deka 8G27 (8G27M) battery warranty cover?

Warranty is for 1 year free replacement. The Deka 8G27 (8G27M) gelled construction also eliminates vibration damage to plates. These are manufactured by East Penn Manufacturing who also manufactures batteries under the name MK Battery. The Deka 8G27 (8G27M) is a direct replacement for any group 27 lead-acid, GEL, or AGM batteries.

Where is the DEKA DC27 battery typically used?

The DEKA DC27 Flooded 12V Battery is designed to give power on the sea. As a member of the Marine Master flooded battery series, it rises to the top in user-friendly, marine-tough service and extended reliability.

Low wholesale pricing on the popular Deka 8G27 sealed gel cell battery optimized for solar PV applications. Authorized Deka Solar battery supplier to the public.

Advanced American Technology and the use of the most modern computer-aided design and manufacturing techniques combine to make MK Battery's Sealed Batteries the standard by ...

The Deka Solar 8G27 Valve-Regulated Gel Monobloc series offers reliable, versatile, maintenance-free power. The thixotropic gel enables these batteries to be completely spill ...

The MK Battery Deka 8G27-HFL is a 12V sealed Gel deep cycle battery designed for renewable energy systems where long service life and minimal maintenance are essential.

The GEL batteries offer many significant advantages over conventional liquid acid batteries. Because there is no liquid electrolyte to leak or spill out of the battery, the Deka 8G27 (8G27M) can easily be installed in hard-to-reach locations.

The MK 8G27-DEKA Solar Valve-Regulated GEL Monobloc series offers reliable, versatile, maintenance-free power. The thixotropic gel enables these batteries to be completely spillproof ...

The MK 8G27-DEKA Solar Valve-Regulated GEL Monobloc series offers reliable, versatile, maintenance-free power. The thixotropic gel enables these batteries to be completely spillproof providing

Deka solar battery 8g27

many available options for installation.

MK Battery provides the highest quality and most environmentally responsible sealed battery solutions for specialized deep-cycle and standby power applications.

The Deka 8G27, Group Size 27, is a 12 volt 73.6 ah battery found in many industrial and stand-by power applications. The Deka 8G27 contains electrolyte that is permanently locked in a ...

The GEL batteries offer many significant advantages over conventional liquid acid batteries. Because there is no liquid electrolyte to leak or spill out of the battery, the Deka 8G27 (8G27M) ...
