

Fixed energy storage device at fontaine hidden anchor point

What are fixed storage and energy transfer devices?

The Fixed Storage and Energy Transfer Device are devices used to power Energy Transfer Terminals in Fontaine in Genshin Impact 4.1. Learn about Fixed Storage and Energy Transfer Devices, as well as how to use them! What are the Fixed Storage and Energy Transfer Devices?

Where can I find fixed storage devices & energy transfer devices?

Fixed Storage Devices and Energy Transfer Devices are an exploration mechanic in Fontaine currently found in the Liffey Region and Fontaine Research Institute of Kinetic Energy Engineering Region. They can be found both underwater and on land. Fixed Storage Devices are stationary and Energy Transfer Devices can be moved by the player.

What is a fixed storage device?

Fixed Storage Devices are energy storage units that are commonly seen near Energy Transfer Terminals and allow energy to be transferred from storage devices to them. They can easily be classified due to how their bases are fixed to the ground. Unlike the Fixed Storage Device, these can be picked up and placed anywhere within a limited area.

Can storage devices provide energy to transfer and research terminals?

Storage devices can provide energy to Transfer and Research Terminals. Pick up a portable storage device and put it next to a terminal that has stopped functioning to return it to normal operation. Community content is available under CC-BY-SA unless otherwise noted.

How do you use energy storage devices in Genshin Impact?

Players must collect three Energy Storage Devices and use them on three different Terminals to remove the barriers blocking the Research Terminal. The step is quite simple and easy to follow as the Research Terminals are marked on the map in Genshin Impact.

How do I get a second anchor in Fontaine Research Institute chronicles?

Head inside and position it near the Research Terminal, which will close the gate. Initiate the mechanism to open the door, granting access to the first anchor needed for the Fontaine Research Institute Chronicles quest. Step 1: Proceed to the Institute of Clockwork Applications to retrieve the second anchor.
