

Fronius solar battery price

What is a Fronius Reserva solar battery?

The Fronius Reserva 12.61 kWh battery kit is designed to boost your solar self-consumption and provide you with a secure and intelligent energy storage. With its compatibility with Fronius hybrid inverters (Gen24 inverters), real-time energy management, and smart charging modes, this solar battery system helps you optimize your energy flow.

How much does a Fronius solar battery cost?

Designed to complete one charge and discharge per day, Powerwall 2 is warranted for 10 years. The 12kWh Fronius Solar Battery retails for \$20,000, while Powerwall 2 is expected to cost \$9,450 plus GST. Fronius Solar Batteries come with a 2-year warranty, that can be extended free of charge to 7 years when registered online.

Are Fronius solar batteries a good investment?

Infinite Energy is proud to have installed one of the first Fronius Solar Batteries in Perth in 2016, and WA's first Powerwall in the same year. Both batteries are examples of advanced solar storage technology, and can bring a wealth of benefits to both homes and small businesses.

Do Fronius solar batteries come with a warranty?

Fronius Solar Batteries come with a 2-year warranty, that can be extended free of charge to 7 years when registered online. Powerwall 2 comes with a 10-year warranty. Due to quality control purposes, Fronius Solar Batteries are only compatible with Fronius hybrid inverters.
