

Ion solar stone battery

What is the ION Audio Solar Stone?

The ION Audio Solar Stone is a device that lets you enjoy music outside in your garden, pool, or while sitting outside enjoying some fresh air. You can stream music from any Bluetooth® music player, such as an iPhone, iPad, iPod, or Android device. This article covers some frequently asked questions about the ION Audio Solar Stone.

How does a Solar Stone speaker work?

Stereo Pairing: Connects via Bluetooth to additional Solar Stone speaker (sold separately) for stereo sound.
-Easy Recharge: Speaker charges in 6 hours by AC, and 55 hours by Solar Panel. **-Long-Lasting:** 48-hour rechargeable battery provides days of uninterrupted music.

Does my ION Audio battery need replacement?

Please read our handy reference guide should you believe that your ION Audio battery needs replacement. Rechargeable lead-acid batteries are similar to those used in automobiles. As with your car battery, how you use this battery has a significant impact on its lifespan.

Is Solar Stone multi waterproof?

Solar Stone Multi is IPX4 water-resistant, so it shrugs off the rain. No problem. Plus, it's truly wireless--no power cord, no audio cables. All the music. Loud and clear. With its powerful internal amplifier and 6.5-inch full-range speaker, you'll enjoy truly detailed, lifelike sound. Everyone in your party will hear the music with crystal clarity.

Can ion batteries be recharged?

For long-term storage, periodically recharge the battery. If you do not charge the battery for six months, it may not charge. Bring the unit to a recycling center or dispose of in accordance with local ordinances. Are ION rechargeable batteries covered under the warranty?

How long does Solar Stone last?

Solar Stone is ready to go for up to 48 hours between charges and restores itself to full power in 55 hours through its solar panel or in 5.5 hours plugged to an AC outlet. Surprise your guests with the 6.5 inch full-range speaker and powerful onboard amplifier hiding in plain sight. Enjoy music in your garden without adding an eyesore.
