

Moultrie solar panel battery

What does the Moultrie Mobile solar power pack do?

The 10W UNIVERSAL SOLAR POWER PACK ditches battery changes by providing solar power to your trail camera. It is highly efficient, providing up to 8x power, and works in partial shade.

Does Moultrie have a solar power option?

Moultrie offers a 12-volt battery box with both a solar option and without. An external solar power panel is also available. These external power sources can keep your camera running much longer in the field when using the solar option. Make sure it gets as much direct sunlight as possible to keep your camera running without worry.

What is a Moultrie 10W solar power pack?
