

Solar edge battery warranty

Does SolarEdge home battery have a warranty?

The SolarEdge Home Battery has one of the best battery warranties we've seen simply because there's no cycle or throughput clause. This means there's no limit on how much you can use your battery during its standard 10-year warranty period. It's rare to see this on the battery market. The other major aspects of the warranty are industry-standard.

Does SolarEdge cover a defective battery?

Upon buyer's notification, SolarEdge shall determine whether the reported defect is eligible for coverage under the Limited Warranty. The SolarEdge Home Battery's serial number must be legible and properly attached to the SolarEdge Home Battery in order to be eligible for Warranty coverage.
