The ideal choice for cars, trucks, tractors, boats, electric fences, and more. The amorphous solar panel charges in all daylight conditions, even on cloudy and gloomy days.

Where can I buy a solar battery trickle charger?

Sold by Deltran USA and ships from Amazon Fulfillment. The Sunforce 5-watt Solar Battery Trickle Charger gives you another reason to love the sun - it will help keep your vehicle's battery charged anywhere, anytime. The ideal choice for cars, trucks, recreational vehicles (RV), tractors, boats, electric fences, and more!

How do I connect a 5 watt solar panel to a battery?

If you are connecting the 5 watt solar panel to the battery via the cigarette lighter plug you must ensure that the cigarette lighter outlet will function when your car is turned off. If this is not the case you must connect the solar panel to the battery via the alligator clips. This will help maintain a charge on your battery. Helpful?
